The Echevarria Design Group—inaugurated in 1982 and now the largest based in Miami-Dade County specializing in retail design—provides interior architecture, space planning and design services, merchandising and construction management for a diverse clientele that includes Macy's Department Stores. The firm ranks in the top 50 retail design firms in the United States.

Some of the Echevarria clients include many fine restaurants, including Il Toscano in Weston, Il Villagio in Coral Gables and Bellanote in Minneapolis as well as award-winning art galleries, showrooms and health care facilities.

Mr. Echevarria, a Chilean-born entrepreneur and EDG's principal, is a professional member of the Institute of Store Planners (ISP), International Interior Design Association (IIDA) and Allied Member of American Society of Interior Designers (ASID). He is a member of the Interior Design Advisory Board of Florida International University, Miami Dade Community College and International Fine Arts College.

EDG has been featured in many industry and consumer publications, including Interior Design, Contract Design, Hospitality Design, as well as by hard-cover books such as Stores of the Year and Storefronts & Facades.
